WELCOME TO BAYSHORE UNIVERSITY

Bayshore University was established to execute the dream of promoting online education for students spread across the world. With the most advanced e-Learning management system and distinguished faculty members, we created the best platform for students to excel in their respective fields. We offer more than 17 fields to choose from, to our students for the brightening up of their respective career paths. We have accreditation from global, regional and national bodies paving the path for our alumni to work in the region of their choice.

TESTIMONIAL:

Acquiring a financial assistance has taken care of my financial worries, so that I can focus on studying and working hard, making use of my technical and academic expertise. I have explored a whole new world of opportunities studying at this renowned University.

Dora D. Chen

School of Business Administration
