

Foodings English Breakfast

All happiness depends on a leisurely breakfast.

Breakfast

we take breakfast very seriously

Breakfast is always the best time for something juicy, sweet and fresh - it just feels like the right way to open the day. There's no right way, though, when it comes to choosing the fruit.

We put the art in artisan

I like the philosophy of the sandwich, as it were. It typifies my attitude to life, really.
It's all there, it's fun, it looks good, and you don't have to wash up afterwards.

They shot the ball well early. What comes out of the microwave hot doesn't always stay hot.
I know, because I eat bagels in the morning.

Come share our passion for food

A good cook is the peculiar gift of the gods. He must be a perfect creature from the brain to the palate, from the palate to the finger's end. A recipe has no soul. we, as the cook, bring soul to the recipe.
