About Us

ADE is an Emirati owned development company and part of the Al Dallah Group.

A trusted name in the UAE's real estate sector since the 1950s, rooted in decades of expertise, we develop high-quality residential projects that balance thoughtful design, functionality, and luxury. Each development is shaped by strategic location selection and smart living solutions. Driven by a commitment to excellence and long-term value.

CEO
Mohammed Ahmad Al Dallal

A Legacy of Trust

A name built on trust and community values since the 1950s.

With over 100 developments across Dubai, the Group's legacy reflects a long-standing commitment to quality and enduring value. Today, under the leadership of Ahmad and Mahmood Al Dallal, alongside third-generation CEO Mohammed Ahmad Al Dallal, ADE continues to shape the future of urban living guided by trust, quality, and community.

The Essence of Quality

Quality is about more than how a building is made, it's about how it feels to live in.

Our homes are designed to support everyday moments, meaningful connections, and lasting memories. Through thoughtful design and enduring craftsmanship, we create living environments that feel welcoming today and remain meaningful for years to come.

Deansgate

in Majan

DEANSGATE
BY ADE

Deansgate by ADE is a contemporary mixed-use development in the heart of Majan, Dubai. Rising from an active ground floor to 10 residential levels, it combines modern living with everyday convenience.

The project features well-designed studios and 1 to 4-bedroom apartments, offering comfort, quality, and flexibility for different lifestyles. With retail spaces at ground level, Deansgate creates a connected urban environment that brings daily needs, modern design, and community together.

Greygate

in JVC

GREYGATE
RESIDENCES BY ADE

Greygate Residences by ADE is a contemporary residential development in the heart of Jumeirah Village Circle (JVC). Rising 15 floors, it offers a curated selection of studios and one-bedroom apartments, with retail spaces at ground level for everyday convenience.

Designed for calm, comfortable urban living, the project combines thoughtful layouts, modern amenities, and a well-connected location to deliver a balanced, high-quality lifestyle.

GREYGATE
RESIDENCES BY ADE

An architectural rendering of a modern, multi-story building with a distinctive wavy, undulating facade. The building features numerous balconies with glass railings and is topped with several palm trees. In the foreground, there is a large, open parking lot with several cars parked, surrounded by lush greenery and palm trees. A swimming pool is visible near the base of the building. The sky is blue with scattered white clouds.
