TOGETHER, WE BUILD [**LEGACY**]

Great things in life are rarely accomplished alone. It takes teamwork to build something beautiful, strong and enduring. [**UNEC**] has been a trusted, hard-working partner at the side of real estate developers in the region for over 40 years, collaborating on iconic, world-class projects across the UAE and Gulf Region.

Our role is to successfully deliver the client's vision into reality using our history of experience, vast resources and dedicated team members. We attribute our accomplishments to decades of commitment to our clients, and a deep understanding of their interests and goals; providing real value in building tomorrow's skylines, today.

This is our passion and the foundation of a hard-earned reputation. It is and will remain at the heart of who we are as a company, as we continue to evolve with new strategies and technical mastery, maintaining our position at the forefront of our industry. Together, we're building a legacy of excellence for years to come.

Eng. Abdulhalim Muwahid
[**Chairman**]

[UNEC] is a multi-award winning international construction company with more than 46 years of expertise in the region.

Our vast experience, forward-thinking innovations and commitment to the highest standards in professionalism, safety and efficiency have made us a trusted partner to the developers of some of the area's most iconic buildings and landmarks.

OVERVIEW > EXECUTIVE COMMITTEE

ABDULHALIM MUWAHID

[CHAIRMAN]

Only after few short years working as a site engineer in the region, Eng. Abdul Halim Muwahid found himself dreaming of a better way of doing things. That dream became reality in 1976, with a bold decision to found a new company – one centered on values of quality workmanship and reliable partnerships. Those values remained constant as our chairman stewarded the company through change, challenge and achievement to its current position as one of the regions most trusted and accomplished partners in the construction industry. With over 50 years of experience and knowledge, and an ongoing active role in all aspects of the company's development, strategy and daily operations, Eng. Abdulhalim Muwahid remains the central driving force at the heart of [UNEC] and its future legacy.

JAMAL MUWAHID

[VICE CHAIRMAN]

Eng. Jamal Muwahid brings 37 years of engineering excellence to every project. Prior to his current role as Vice Chairman at [UNEC], he gained valuable insight delivering some of the UAE's most iconic landmark projects. An integral part of the business and key decision-maker at [UNEC], Mr. Jamal Muwahid is guided by a steadfast commitment to cost-effective, high-quality solutions to every challenge.

AMMAR MUWAHID

[CHIEF EXECUTIVE OFFICER]

Following an education in civil engineering and years of experience in the field, Eng. Ammar Muwahid joined the [UNEC] team as a site engineer in 1993. Now Chief Executive Officer and one of the company's longest-serving executives, he oversees all aspects of management and operations in the UAE, KSA and Jordan.

Eng. Ammar Muwahid's Bcommitment to the highest standards in construction has helped foster a culture of excellence at [UNEC]. A passion for teamwork and handwork is a trademark of his personality.

OMAR SHARAF

[EXECUTIVE DIRECTOR]

Graduating from Panjab University Engineering College in 1983, Eng. Omar Sharaf gained significant experience in India, Kuwait and Jordan prior to joining [UNEC] in 2001, where he now serves as the company's Executive Director.

In addition to a role in projects management and procurement, Eng. Omar Sharaf is continuously steering the company to achieving its mission and vision and corporate targets.

Characterized by a passion for all things engineering, Mr. Sharaf believes that love of one's work is the key to success.

MOHAMMED A. MUWAHID

[CHIEF OPERATING OFFICER]

Eng. Mohammed Abdulhalim Muwahid joined the company as a site engineer immediately after graduating with a Master's Degree in Civil Engineering from Imperial College London.

Success with increasing responsibility led to a rapid rise through the ranks to his current position as Chief Operating Officer.

A vital addition to the company's leadership team, Eng. Mohammed Muwahid oversees day-to-day operations across all projects, as well as business development and client relations.

A strong believer in hard work and persistence, his emphasis is on maximizing productivity and efficiency through lean principles and technological innovation.

AMMAR ABU HEJLEH

[CHIEF FINANCIAL OFFICER]

The most recent addition to [UNEC]'s executive committee, Mr. Abu Hejleh has spearheaded the company's financial and strategic planning as Chief Financial Officer (CFO). Drawing on 37 years of experience in accounting and financial management for a variety of major enterprises, Mr. Hejleh specializes in the detailed financial oversight necessary for mitigated risk and maximized efficiency.Mr. Hejleh's credentials include a Master's Degree in Business Administration (Finance). He is both a Chartered Business Administrator (CBA) and Chartered Financial Professional (CFP).
